Dear <<First Name>>,

No matter what you celebrate, we hope you are able to spend time with friends, family, and community. Wishing you the absolute best of the season.

Love,

Your Friends at The Reentry Initiative

---

Congratulations George!

If you have read the past few newsletters, you heard about TRI Member George's story to get to, and compete in, an international skateboard competition.

Well, he not only made it - he came in 2nd place in the giant slalom and 6th overall! George was featured in the Daily Camera, you can click the pic for the full story.
George continues to work hard at recovery while maintaining his sport, business, and a sober living home.

Meet our staff: Jyoti Sharma

As the Program Manager, Jyoti oversees both the Welcome Back Center and the Wellness Center. Here’s what she had to say about TRI:

“I love working with TRI primarily because of our members! It’s exciting to get to learn about their stories, help them reach their goals, and emotionally support them. I feel grateful that our members trust and come to us!”

You can read more about Jyoti here.

Thank You!

You helped us raise $11,266.71

Amazing! The week between Giving Tuesday and Colorado Gives Day, 54 donors stepped up with over $11K. That is an incredible amount of support for our Members, some of our most vulnerable community members. Thank you!
• Certify four formerly incarcerated people in Peer Support Training
• Send five individuals to Heavy Equipment job training
• Give a monthly bus pass for jobs to eight people
• Provide 10 nutritious, community meals for mental health groups
• Help 10 people obtain their birth certificate or SSN card
• Ensure 40 people have new underwear upon release
• Provide 10 sessions of trauma-informed individual counseling
• Run a full program for a gender-responsive group

There is still time.

If you missed the chance to support TRI on Colorado Gives Day - do not fret - there are many ways to get involved.

You can donate via the button below. You could forward this message to a friend. You could follow, like and share our Facebook page. As always, thank you for your support!
